## Testimonials

about *Legion of Victim Souls*

---

"The height of sanctity, the summit of an atoning soul, the essence of perfection: I'm just overwhelmed. I bless God for this book, because now I can carry my cross with pleasure."

---Mrs. Nakama, Tokyo, Japan

"Reading this book was as if I were learning my faith for the first time." – T.C., Massachusetts, USA

(About *Penitential Rosary*)

"After praying the rosary like this, now I understand how much Jesus suffered for us on the cross." – Mr. N.K., Nigeria

"I am one of the million people who have been inspired by Madre Concepción Zúñiga, her simplicity, compassion and her love to Jesus. I also want to share her life with others for inspiration. I have also a friend who suffers a serious disease in the hospital, and I want to share with him the novena prayer for an intention of healing. Please do respond. I've read about the free Prayer Card, and a relic. Can I ask at least a small part of it?" – G.N., Philippines
